

2010 Budget Trade-Offs Survey Results

Posted by **Pierluigi Oliverio** on Monday, May 31, 2010

Hello Readers,

As you may know, I created a budget web survey which I shared with you on May 10. The survey was open to everyone and closed yesterday afternoon. More than 1,000 people participated with more than 400 written comments.

Thank you for participating.

Here is a link to the results:
